FIG. 1

This exploded perspective view shows the assembly of the mechanical device. The main components are labeled with reference numerals: 10 (the front housing), 13 (a ring or flange), 40 (a central shaft or hub), 42 (a series of small circular components, possibly screws or pins), 43 (a cylindrical component), 45 (a gear or pulley), 46 (a cylindrical component), 47 (a cylindrical component), 48 (a long, thin rectangular plate), 49 (a rectangular block), 51 (a long, thin rectangular plate), 52 (a rectangular block), 53 (a rectangular block), 57 (a gear or pulley), and 59 (a rectangular block). The assembly is shown in a disassembled state, with the components arranged to show their relative positions and how they fit together.

FIG. 8

Fig. 1 is a perspective view of a container assembly 10. The assembly includes a container 15 with a lid 16. A handle 14 is attached to the front of the container. A knob 10 is mounted on the handle. A hinge 13 is visible between the handle and the container. A locking mechanism 36 is shown on the handle. A dashed line IV-IV indicates a cross-sectional view.
